

A 9 Year Plan ... LOGISTICS

We are delighted that you decided to accept the ebbf board's invitation to be part of this ebbf impact retreat here in beautiful Acuto.

We will start the program at 18:00 on Thursday 29th Sept down in the main conference hall and dinner will be served at 19:30, then a short evening program and we aim to finish at 21:30.

IMPORTANT: due to unforeseen circumstances some people attending the BIC + Public Discourse event that precedes ours are most unfortunately staying one extra night.

If your name is listed below kindly note that you will be thus staying ONLY the 1st night of Thursday 29th in a nearby hotel just 15 mins from the hotel of the retreat. (INFO BELOW)

GETTING FROM FIUMICINO or CIAMPINO Rome Airports to Acuto

Here you can find the landing and departure info that some participants have already posted, to allow you to SELF manage logistics of sharing rented cars (suggested best option)

You can check <https://www.rentalcars.com/>

OR

you can ride a train, direct from Rome Fiumicino Airport that takes you to Rome Termini station where you change for the train that takes you to the train stop of "Anagni-Fiuggi".

[TRAIN INFO HERE](#)

ONCE YOU REACH that small station, please call the hotel to inform them that you will soon arrive to the pick up location

+39 351 912 0094

+39 0775 56061

From that small train station, you exit and will find a public bus service that will take you to the "Bivio di Acuto" (you would be picked up from there) OR to "Fiuggi" if you are one of the people staying the first night in the Albergo Villa Lina (that hotel is 500 Mts walk from the Fiuggi bus stop).
